REPORT: Seminar on Journalism as a Profession

Maheshtala 23 Sept. Yesterday the department of Journalism and Mass Communication, Maheshtala College organised a One-Day Seminar on Journalism as a Profession, hosting the chief guest, Ms. Madhumita Dutta. Ms Dutta is a senior correspondent with reputed Anadabazar Partrika, a newspaper published from Kolkata, West Bengal. The core objective of the seminar cum lecture session was to motivate students of various disciplines to choose journalism as their career option. Ms Dutta shared her personal experiences of being a female journalist and the endeavours she faced in her professional life. She also discussed how it is even more challenging for a lady journalist who wants to become a field reporter. She asked the students to take up journalism as their profession and at the same time be ready to face its challenges. After her affluent lecture, students and teachers from the audience asked several questions and tried to clear their doubts about this profession.

The seminar lasted for around 2 hours, which was held in the ICT room of Maheshtala College. Dr. Rumpa Das, Principal, expressed her gratitude towards the guest and said, “This seminar was one of the most important seminars held in this college in terms of students’ welfare.” Around 80 people were present in the seminar which ended satisfactorily, with the help of the faculty members of the college, Prof. Mohammed Johaed, Dr. Arghya Mukhopadhyay and Prof. Anupama Das.

Title : Fuzzy Logic and Fuzzy sets

Date : 6th December, 2022

A one-day presentation by the students of Computer Science Department, Maheshtala College has been conducted on 6th December, 2022 with the heartiest support of our principal Dr. Rumpa Das and by the departmental teachers. The purpose of this type of presentation is to understand the progress of a student regarding the course and also find the students' interest beyond the syllabus.

During the whole session, students presented very nicely one after another.

The whole session was interactive and the students answered many queries of the teachers. Besides, teachers also provided their valuable suggestions so that, they can improve further.

All the students were very much encouraged and wanted to perform such presentations regularly to improve themselves. Students and teachers of computer science department are very much thankful to Principal Madam Dr. Rumpa Das for providing us such opportunity.

Report on the panel discussion

On 2nd May, 2023, a state level panel discussion was organized by the departments of Economics, Education and Geography in association with IQAC, Maheshtala College. The topic for the panel discussion was '**Sustainable Development: Recycling Waste and Harvesting Rain Water**'. Dr. Subhra Ghosh Dastidar, a professor of Chemistry at the Bose Institute in Kolkata, and Dr. Angana Dutta, an assistant professor of Sociology at the Jogesh Chandra Chaudhuri College in Kolkata, served as the two eminent experts who participated in the panel discussion.

The two experts talked about numerous aspects of sustainable development, the use and negative impacts of plastics, the lack of drinking water owing to global warming, and several measures to reduce environmental pollution. Maheshtala College students and teachers enthusiastically participated in the panel discussion as they asked the resource persons probing questions about environmental sustainability.

The students in attendance gained a lot from the interactive and enlightening discussions, making it a very productive session. A total of 29 students, 18 teachers and 2 resource persons participated in the seminar.

Title: Philosophising and well-being

Date : 30.5.2023

A National Level Students' Seminar On '**Philosophising and well-being**' by the Department of Philosophy and IQAC Vidyanagar College and Maheshtala College has been organised on 30.5.2023 with the heartiest support of the Principal Dr. Rumpa Das.

The day was started by the motivational speeches of the Principal and the IQAC co-ordinator of Vidyanagar College.

After that, Prof. Dr. Dayeeta Roy delivered her discourse regarding the above mentioned title. The purpose of the seminar was to enlighten students with the valuable discourse on implementing philosophical knowledge in practical life to ensure human well being.

The whole session was interactive and Hon'ble speakers answered many queries of the students. Besides, teachers also provided their valuable suggestions so that students can improve further.

All the students were very much encouraged and wanted such interactive discussions regularly to improve themselves.

On May 30, 2023, a seminar titled "Purba Banger Janajiban - Prakriti O Rabindranath" was held, featuring Dr. Sujata Bagchi Banerjee as the speaker. Organized by Dr. Suchandra Bhattacharya, the event attracted 40 participants. Dr. Rumpa Das delivered the inaugural speech, setting the tone for the discussion on the intersection of nature and Rabindranath Tagore's works in the context of East Bengal's societal fabric. Dr. Bagchi Banerjee's insightful presentation explored the deep connection between nature and Tagore's literary oeuvre, fostering a holistic understanding among attendees. The seminar provided a platform for intellectual discourse and appreciation of the cultural heritage of East Bengal, enriching the participants' knowledge and understanding of its literary landscape.
