- Programme/Curriculum/Syllabus of the courses that include experiential learning through project work

In the Covid-19 pandemic period initially it was a challenge both to teachers and students to conduct the teaching- Learning Process smoothly. Teachers and students were bound to accept totally the online method of classes through Google meet platform in our Institution. Advantages of Google Class room & Jam Board Learning were enjoyed by teachers and students. Project report of the ENVS Project of B.A/. B.Sc./B.Com was submitted through online mode. Challenging task of online practical classes of Computer Science, Geography, Mathematics, Chemistry, were successfully done through Google Meet platform and Jam Board. Tutorial project submission as per University of Calcutta guideline was done through online.
