## 1. Library as a learning Resource

Maheshtala College Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The Library is optimally used by the faculty and the students.

Maheshtala College has Central Library, departmental libraries, book bank and a special corner in the library, constructed in memory of our beloved Founder -Principal named Benutosh Guha Corner for Self-Reliance & Competitive Exams.

Central Library is open access. Total number of books – 17781. The total area of the library is 1247.43 sq.fts. Total seating capacity - 40

1. Library is fully automated using Integrated Library Management System (ILMS). The name of the software is KOHA. The version of KOHA used in Maheshtala College Library automation is 22.11.03.000Rosalie. The software is installed and is running on cloud server. The cloud system, has many facilities. Students and other users can access Library Website, online public access catalogue from their home.
2. Remote access is possible.
3. Process of searching the entire database and circulation process is simple and student-friendly.
4. Reading room is spacious with adequate seating-arrangement.
5. Benutosh Guha Corner for Competitive Exam and Self-reliance has a good collection of competitive examination books.
6. There is a separate Reference section for teachers and advanced learners.
7. There is biographical section where biographies of most great persons are maintained.
8. Library is well-ventilated
9. Specialized College publication section has books published by the college as well by teachers of the college.
10. **Students' computer zone** has two desktop computers for internet browsing.
11. Two Special Prizes for Students-User: Scholarship for best student user (current student and ex-student) awarded personally by our Librarian: Bookworm Award instituted by teacher of Journalism and Mass communication department. Well-equipped departmental libraries from where students can borrow specialised subject-related books

## *NLIST usage by college Administrator*

The screenshot shows the NLIST website interface for college administrators. At the top, there is a navigation bar with links for 'College Admin Login', 'Licences and Fair Use', 'FAQs', 'Downloads', and 'Awareness Programme'. Below this is a main header with 'HOME', 'ABOUT', 'MEMBERS', 'REGISTER', 'E-RESOURCES', and 'SEARCH'. The central heading reads 'COLLEGE ADMINISTRATOR' with a sub-link for 'Administrator Login'. The 'College Administrator Login' section includes a 'Login' form with fields for email (dipanwita.4444@gmail.com) and password, a CAPTCHA (1+1), and a 'Calculate and Write Answer Here' button. To the right, 'Instructions' are provided, such as 'Only authorized college administrator can login to this system.' and 'If your college is not having college admin login details, please download the Authorization Letter from here and send the duly filled signed copy to INFLIBNET Centre at college[at]inflibnet.ac.in.'

## *NLIST usage by users of Maheshtala College.*

The screenshot shows the NLIST website interface for member users. The navigation bar and main header are identical to the administrator page. The central heading reads 'MEMBER USER LOGIN TO GET FULLTEXT ACCESS'. Below this is a 'User Login' form with a 'Login' button. The form includes fields for email (maheshtalacollegelibrary@gmail.com) and password, and checkboxes for 'Don't Remember Login' and 'Clear prior granting of permission for release of your information to this service.'

## 4. Library Automation and Digitisation

Library is automated using Integrated Library Management System (ILMS). The name of the software is KOHA. Library is fully automated from 2023. The version of KOHA used in Maheshtala College Library automation is 22.11.03.000Rosalie. The software is installed and is running on cloud server. The Integrated Library Automation and Management Software KOHA which is running in cloud system, it has many facilities. Students and other users can access Library Web Place, online public access catalogue (OPAC) from their home that is this software can be searched in remote access. This is the one of the most important main feature of this cloud based server. Another thing is there is no fear of loss of data. Students are satisfied as time is saved for searching the entire database and also less time involved in circulation process.

## Issue-return source KOHA software

The screenshot shows a Windows 7 desktop environment. A Google Chrome browser window is open, displaying the KOHA software interface. The browser's address bar shows the URL: `mtc-staff.kohacloud.in/cgi-bin/koha/reports/guided_reports.pl?phase=Use%20saved`. The page content includes a filter sidebar on the left with fields for Date, Author, and Keyword. The main area is titled 'Saved reports' and shows a search result for 'issue return'. Below the search results is a table with the following data:

ID	Report name	Type	Group	Subgroup	Notes	Author	Creation date	Last edit	Last run	Public
57	Issue return payment renew report					mtc, mtc (1)	03/07/2024	03/07/2024 11:52	06/14/2024 17:14	No

The desktop background is green with various icons for applications like Acrobat Reader, Google Chrome, Mozilla Firefox, and VLC media player. The taskbar at the bottom shows the system tray with the time 1:54 PM and date 6/21/2024.
