## Endless Students' Questions at Maheshtala Webinar

**Maheshtala College, Aug 29:** A One-Day State level Webinar was held at Maheshtala College on 'Role of Media during Covid-19 Pandemic' organised by the Dept. of Journalism and Mass Communication, today. Prof. Saikat Majumdar, a former journalist, now an Assistant Professor at Sister Nivedita University, Kolkata has facilitated to be the Keynote Speaker at the Webinar. It started at six in the evening with over 90 participants, registered through Google form provided by the Department. There were student participants from colleges of all over the state such as Behala College, Netajinagar College, Vijaygarh Jyotishray College, Salesian College, Siliguri, to name a few.

The event was inaugurated by Dr. Rumpa Das, Principal, Maheshtala College, who welcomed the guest and spoke about the ever important responsibility of the media houses today. She also stressed upon how these media webinars are significant for the students of Journalism and Mass Communication apart from classroom learning and practical training. "This webinar is primarily designed for both students and teachers to understand how a responsible media house should perform and also encouraging students to develop a research oriented mind", she added. She also unveiled the first issue of the Journalism Webzine – MediaMag on this occasion.

The Webinar focused chiefly on the Role of Media during this entire period of Covid-19 pandemic, consequently the lockdown announced by the GOI. Prof. Majumdar, with his wisely crafted presentation talked about the ethics of journalism and how responsibly the media is presently handling the situation of the pandemic. With taking up issues like migrants' crisis and Sushant Singh Rajput's alleged suicide case, Prof. Saikat discussed how the corporatization of media houses today has given scope of doubt about the fourth estate. He also discussed whether the Media houses have turned into lapdogs from watchdogs.

After his talk there was a flood of questions, particularly coming from the student participants. From questions about owning a media house to disowning of ethics by today's journalists were the thirst of the questions. One of the students from Vidyasagar Jyotishray College asked about how independent a fresher is when he starts her or his career in a media house to which Prof. Saikat replied, "there has to be maintained a balance between ethics and entertainment as the corporate media houses today are chiefly profit-oriented corporations."

## A Short Report

A student seminar was organised by the Department of Economics on 29th August, 2020 at 2:00 pm. Our 5th Semester student, Maloy Hazra presented a Power Point Presentation on the topic “Absolute advantage theory” from International Economics (CC-11) paper. The programme was conducted through the online platform Google Meet. Departmental teachers’ i) Prof. Sanjok Lohar ii) Prof. Subhashis De and iii) Prof. Manas Mitra were present in the student seminar along with the students of 3rd Semester Economics General.

5<sup>th</sup> Semester, Student Maloy Hazra very efficiently explained how a producer can provide a good or service in greater quantity for the same cost, or the same quantity at a lower cost, than its competitors. The session had an interactive exchange of information between the teachers and the students.
