## **Key Initiatives by the IQAC, Maheshtala College** **2022-2023**

### Significant contributions

- Conducted successful orientation sessions, enhancing understanding of NEP among stakeholders.
- Established a student support center, providing valuable support to students in their academic journey.
- Add-on courses complemented academic studies by providing additional knowledge or practical skills. Mentoring has helped students explore career options, develop professional skills, and prepare for their future careers.
- The use of innovative teaching methods (1.Flipped Classroom 2.Project-Based Learning 3. Game-Based Learning 4.Mobile Learning 5. Collaborative Learning Platforms) and technologies has increased student engagement in the learning process, leading to improved participation and motivation. Innovative teaching methods have promoted collaboration among students, encouraging them to work together and learn from each other. • Collaborations have provided students with access to a wider range of academic programs, courses, and resources, enriching their learning experience.
- The college has successfully secured research grants (ICSSR, Govt of India)) and funding from external sources, allowing faculty to conduct high-quality research projects. The college has established collaborations and partnerships with other institutions, industries, and research organizations, leading to collaborative research projects and interdisciplinary research.
- Implement measures for campus beautification and cleanliness.
- The library has been modernized with updated resources, digital tools, and comfortable study spaces, encouraging students to use the library for research and study purposes.
- Upgraded laboratories are equipped with state-of-the-art equipment and technology, providing students with practical learning experiences.
- The alumni network has become more active and engaged, with a growing number of alumni participating in college events, programs, and initiatives.

## Faculty development programme June 19-23, 2023

National Level Faculty Development Program (FDP) was organized by IQAC, Maheshtala College, Kolkata in collaboration with IQAC, Uluberia College, Howrah aimed to enhance the digital literacy and pedagogical skills of faculty members. The program was designed to provide educators with insights into integrating digital tools effectively in both teaching and research activities. The FDP was organized for five days i.e., **June 19-23, 2023**. About 110 faculty members are actively participated and gained useful information from all the sessions.

### Principal's Enlightening Speech:

During the inaugural session of the FDP, Principal Dr. Rumpa Das delivered an enlightening speech that set the tone for the entire program. She emphasized the importance of adapting to digital advancements in education and how such programs are pivotal for the professional growth of educators.

Dr. Das highlighted the significance of integrating digital tools into traditional teaching methods to enhance the learning experience and better prepare students for the future. Dr. Das also commended the collaborative effort between Maheshtala College and Uluberia College, underscoring the value of shared knowledge and expertise.

## Session on NEP 2020 Implementation

June 13, 2023

On June 13, the Internal Quality Assurance Cell (IQAC) of Maheshtala College organized a session on the implementation of the National Education Policy (NEP) 2020. The session aimed to educate faculty members, administrative staff, and students about the key features of NEP 2020 and to discuss strategies for its effective implementation at Maheshtala College. The session commenced with an inaugural address by Dr. Rumpa Das, Principal of Maheshtala College, who emphasized the significance of NEP 2020 in transforming the Indian education system.

A panel discussion was conducted with senior faculty members, including Dr. Suchandra Bhattacharyya and Shampa Dasgupta, who provided their insights and perspectives on the implementation of NEP 2020 at Maheshtala College.

### Interactive Q&A Session:

An interactive Q&A session followed the panel discussion, where participants had the opportunity to ask questions and express their views on NEP 2020. Faculty members and students raised pertinent questions about the practical aspects of implementation, the role of stakeholders, and the expected outcomes of the new policy.

The NEP 2020 implementation discussion at Maheshtala College was a significant step towards aligning the institution's academic practices with the national vision for education reform. The insights and strategies shared during the event are expected to facilitate the smooth transition to the new education policy framework.
